**Within** is a coordinating plank and heterogeneous sheet resilient collection available in both abstract and wood visuals. The collection offers soothing patterns and nature-inspired colorways designed to enhance a calming aesthetic. Featuring coordinating weld rods, **Within** pairs seamlessly with the solid neutrals and brights of Organic Hue. With patterns and colors inspired by market research and insights, **Within** has been designed for flexibility in use throughout healthcare environments.

## inside the design /

Constructed with an ExoGuard® topcoat, **Within** provides superior resistance to soil, stains, scratches, scuffs and abrasions, as well as damage from alcohol-based sanitizers.

# HETEROGENEOUS SHEET

Our most versatile product platform for healthcare spaces, heterogeneous sheet offers high performance, easy cleaning and maintenance, and design versatility. With a strong layered construction and our ExoGuard® top-coat, our heterogeneous sheet products can withstand soil, staining, scratches and rigorous cleaning. Available in a variety of visuals from natural wood grains to abstract patterns, it's a top performer for any healthcare space.

## recommended healthcare spaces /

- public areas, atriums + cafés
- corridors + walkways
- reception + waiting areas
- nurses' stations
- patient + recovery rooms
- wellness + treatment
