because flooring matters.

Description

Add a functional finishing touch to your coordinated color scheme with Patcraft Transition Strip products. Available in five profiles, Transition Strip is available in seven colors that complement the Wall Base color line.

Product Highlights

1. Transition Strip is available in seven colors that complement the Wall Base color line.
2. Transition Strip is Thermoplastic (TP) rubber. Uses less energy to produce. Very flexible.
3. Transition Strip is sold in 12' sticks, 3 per carton.
4. Transition Strip is backed by a two year warranty.
5. Adhesives are available in tubes sold by the carton and in a tape format for use with the pinless metal track.
