

DuraWorx™ is a high performance polyurethane cushion for commercial stretch-in and double glue installations

## Features

- High-performance polyurethane, providing enhanced support to broadloom and EcoWorx™ tile
- Breathable moisture barrier keeps spills from penetrating the cushion for 24 hours and allows moisture to evaporate
- Antimicrobial agent guards against bacterial, mildew and odor-causing elements (AATCC-174)
- Made in the USA

## Suggested Applications

- Hospitality
- Corporate Offices
- Retail
- Healthcare
- Multi Family Housing
- Senior Living
